

# A WELL TAILORED SUIT

## YOU CAN LAMP IT A BLOCK AWAY

Nothing so adds to the distinction of a man's personality as a well tailored suit....It not only gives him a correct, clean-cut appearance, but it imparts a feeling of poise and self-possession that is lacking in the wearer of a "hand-me-down" suit.

Clothes may not make the man, but they contribute about as much as any other one factor to his success...A slovenly appearance is a far worse handicap to business men than a scarcity of capital. A prosperous appearance is half the battle.

### Look Prosperous--Feel Prosperous

If you want the full benefit of good clothing, come and let us fit you out with one of our own correct suits...CORRECTNESS is the ruling principle of our House.

Let us fit you with one of our suits. You will not only look prosperous but grow prosperous

the International Live Stock Show at  
Chicago the first week of December.  
Armour & Co., is offering the trip  
as a prize to the champion pig club  
boy in each state. The contest in  
Missouri was open to all pig club  
members thru out the state. In se-  
lecting the winner half of the credits  
were allowed on the basis of the  
grades made in a written examination  
covering various questions on hog  
production and the other half were  
based on the records kept by the con-  
testant, his success in the show ring  
and the profit on his subject.

Herschel's gilt farrowed eight pigs  
and raised all of them. With this lit-  
ter he won \$15 in premiums at the  
local pig club show at Bosworth last  
month; \$21 in the open classes  
against the breeders at the fall show  
at Carrollton and \$10 in the cham-  
pionship club show of Carroll County.

The pig club work in Carroll Coun-  
ty is sponsored by the Carroll County  
Farm Bureau and the County Agent.  
Its purpose is to stimulate an interest  
among the farm boys in good live  
stock to assist them in getting a bet-  
ter knowledge of live stock produc-  
tion problems and at the same time  
earn some money of their own.—Hale

#### A TIMELY SUGGESTION

This is the season of the year  
when the prudent and careful house-  
wife replenishes her supply of Cham-  
berlain's Cough Remedy. It is al-  
most certain to be needed before the  
winter is over and results are much  
more prompt and satisfactory when  
it is kept at hand and given as soon  
as the first indication of a cold ap-  
pears and before it has become set-  
tled in the system. There is no dan-  
ger in giving it to children as it con-  
tains no opium or other harmful  
drug.

Something for  
Everyone
